

RINA RESUELLO

Amazon Catalog Troubleshooter & Account Health Expert

 rbresuello@gmail.com |  [LinkedIn: linkedin.com/in/rinaresuello](https://www.linkedin.com/in/rinaresuello)

PROFESSIONAL SUMMARY

Results-driven **Amazon Catalog Troubleshooter** with 3+ years of hands-on experience restoring account health, resolving suppressions, and managing catalog integrity for agencies and private brands. Skilled in **flat file uploads, compliance escalation, and reinstatement recovery**, with a proven record of resolving critical issues under pressure. Recognized for transforming underperforming catalogs into optimized, policy-compliant listings that convert.

CORE EXPERTISE

Amazon Catalog Troubleshooting · Account Health Recovery · Listing Optimization · Policy Violation Reinstatement · Flat File Uploads & Edits · Parent-Child Variations · Brand Name Changes · VOC Analysis · SOP Development · Team Leadership · Compliance Escalations

PROFESSIONAL EXPERIENCE

AMZ Agency — Listings and Crisis Management

Dec 2024 – Apr 2025

- Resolved 300+ listing suppressions, policy violations, and account health flags across multiple client accounts.
- Performed comprehensive catalog audits and brand name change projects to align with Amazon compliance standards.
- Led case escalations for reinstatements and compliance disputes, achieving a 95% recovery rate on suppressed listings.

Private Label Seller — Amazon Catalog Troubleshooter
Dec 2023 – Dec 2024

- Handled 100+ ASINs involving missing shipments, suppressions, and reinstatements, improving catalog visibility by 30%.
- Conducted proactive audits and VOC (Voice of the Customer) reviews, reducing negative customer experience alerts by 20%.
- Coordinated flat file uploads and image corrections to enhance product detail accuracy and conversion rate.

Private Label Seller — Amazon Catalog Troubleshooter (Project-Based)
Apr 2023 – Dec 2023

- Processed catalog cleanups and brand name updates across multiple product lines.
- Resolved suppression and account health issues within 48-hour turnaround times.
- Collaborated with Seller Support and escalated unresolved cases to restore account standing.

My Amazon Guy (MAG) — Amazon Catalog & Troubleshooting Expert / Troubleshooter
Mar 2022 – Mar 2023

- Managed daily catalog troubleshooting operations for 300+ client brands, addressing suppressions, reinstatements, and policy flags.
- Executed 1000+ flat file uploads, product image fixes, and attribute corrections with 99% accuracy.
- Led and trained a team of troubleshooters, creating SOPs that improved task completion speed by 25%.
- Monitored VOC metrics and implemented action plans to enhance product compliance and customer experience.

Amazon Private Label – Project Based — *Amazon Product Listing & Keyword Researcher*
Nov 2022 – Dec 2022

- Conducted keyword and competitor research using Helium10 to optimize listings for organic search performance.
- Created SEO-driven titles and product descriptions, improving ranking and click-through rates.
